The Care You Need From The Homes That Care

Registration

AALHA: The Association created for Arizona's residential care home industry. Our Annual Conference is designed to meet the needs of care home owners, managers and staff.

For the care home business, we have planned a full day of information and education. We are offering two breakout sessions of three topics each. You choose which one best fits your needs. Better yet, bring two members of your staff so that you benefit from all three sessions.

Education topics will include: how to increase your census, the Fair Labor Standards Act, informal dispute resolution, documentation, and ALTCS/AHCCCS reimbursements. You won't want to miss this information-packed day.

There will be plenty of time for you to meet our exhibitors – those businesses that provide goods and services for your homes. We urge you to spend time with each and learn more about how they can help you succeed.

You do not need to be a member to attend. Should you choose to become a member after this event (and prior to March 31), your admission fee will be applied toward your 2012 membership dues.

Really Cool Raffle Prizes!

You won't want to miss the chance to win one of these:

- HD LDC Television
- BluRay DVR Player/Recorder
- Amazon Kindle
- And more!
